### Old Business

\* thanks to Chris for allowing us to use the space for meeting!

- Landscaping date for spring seasonal planting. Discussion on obtaining a combined bill for entire year.
- Still searching for a viable meeting place. Rob has a 2<sup>nd</sup> meeting with Great Bridge Free Will Baptist Church Pastor Baines within the next week to hopefully finalize an agreement for a new meeting place.
- We have a dialog established a Masonic Lodge rep to see what the possibility is for a meeting place there. Officer John Bailey is a current member.

### New Business

- Chris Fisher displayed interest and agreed to take over as the Civic League Treasurer. Toni McDowell has asked to step down after many years of dedication to this Civic League and this neighborhood. I would like to appoint Chris as our new Treasurer immediately so he and Toni can get a turnover of duties completed. He will be in an interim capacity until our next elections.
